ADVANCE.LOUISIANA.EDU/RESEARCH-CONFERENCE

The revised, final Undergraduate Research Conference presentation schedule along with the Zoom links can be accessed [here](#).

The 2021 conference will be virtual. It will also offer two new venues to present student research experiences, Lightning Talks (3 minute talks) and Performance and Visual Arts presentations.

Please see the [guidelines, requirements for presenting, and schedule of events in this document](#).

Students and faculty may register as observers or presenters.
