

ASRE PATHWAY OF DISTINCTION IN HEALTH INFORMATION MANAGEMENT

This is a general idea of the steps to complete an ASRE Pathway. The goal of this program is for students to begin during their freshman year and complete requirements throughout their college career. There is flexibility in the timeframe, but all requirements must be complete prior to graduation.

Please review the next pages for superscript notes with further information.

1

INITIATION

Begin by completing:

- UNIV 100 "First Year Seminar"

BUILDING SKILLS

Build skills through:

- LCHI 207 "Health Data Management Tools"
- Two (2) research related workshops¹

2

MASTERING SKILLS

Master skills through:

- HIM 321 "Foundations of Health Information Management"
- HIM 323 "HIM Foundations Lab"
- LCHI 478 "Data Analytics in Healthcare"
- LCHI 479 "Data Analytics in Healthcare Lab"

3

PROFESSIONAL DEVELOPMENT

Develop professionally through:

- HIM 422 "Health Care Statistics & Research Methods"
- Mentored research²

4

DISSEMINATION

Disseminate through:

- LCHI 490 "Health Information Management/Informatics Capstone"
- Presentation at a departmental, university, regional, national, or international conference

5

ASRE PATHWAY OF EXCELLENCE IN HEALTH INFORMATION MANAGEMENT

This is a general idea of the steps to complete an ASRE Pathway. The goal of this program is for students to begin during their freshman year and complete requirements throughout their college career. There is flexibility in the timeframe, but all requirements must be complete prior to graduation.

Please review the next pages for superscript notes with further information.

1

INITIATION

Begin by completing:

- UNIV 100 "First Year Seminar"

BUILDING SKILLS

Build skills through:

- LCHI 207 "Health Data Management Tools"
- Three (3) research related workshops¹

2

3

MASTERING SKILLS

Master skills through:

- HIM 321 "Foundations of Health Information Management"
- HIM 323 "HIM Foundations Lab"
- LCHI 478 "Data Analytics in Healthcare"
- LCHI 479 "Data Analytics in Healthcare Lab"

PROFESSIONAL DEVELOPMENT

Develop professionally through:

- HIM 422 "Health Care Statistics & Research Methods"
- Leadership Experience³
- The professional development experience: either mentored research² OR complete an internship⁴ OR complete a study abroad course⁵

4

5

DISSEMINATION

Disseminate through:

- LCHI 490 "Health Information Management/Informatics Capstone"
- The dissemination experience: either a presentation at a departmental, university, regional, national, or international conference OR complete an honors thesis OR author or co-author a manuscript submission

Health Information Management ADVANCE SRE Pathways

Superscript Notes:

* ASRE-approved courses only. Students who have earned credits for a course that is not ASRE approved may petition to substitute that course with a 300 or 400 level course identified as providing research skill. The SCRCS Advance office will review the petition for approval. Approved substitutions are only for the purpose of completing an Advance Pathway and are not approved as substitution for the degree.

¹Approved workshops can include, but are not limited to SCRCS, library, or university workshops. SCRCS Advance Workshops can be found on the UL Lafayette SCRCS website. 1 in person SCRCS workshop is equivalent to 2 virtual SCRCS workshops. Other workshops focused on research skills are possible by approval from the Health Information Management program director.

²Mentored research includes but is not limited to, volunteer, scholarship, paid from grants, MUREs (mentored undergraduate research experience), or SUREs (summer undergraduate research experience). Some examples could include research contract in HIM course.

³Leadership experience includes, but are not limited to, departmental service events, officership in departmental club, SGA officership, student tutor/mentor.

⁴Internships may be internal or external to UL Lafayette.

⁵Study abroad courses will be approved by HIM program director.
