# ASRE PATHWAY OF DISTINCTION IN HEALTH SERVICES ADMINISTRATION

This is a general idea of the steps to complete an ASRE Pathway. The goal of this program is for students to begin during their freshman year and complete requirements throughout their college career. There is flexibility in the timeframe, but all requirements must be complete prior to graduation.

Please review the next pages for superscript notes with further information.
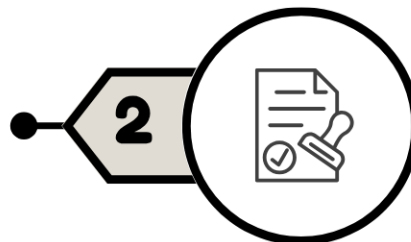

INITIATION

1

Begin by completing:
- UNIV 100 "First Year Seminar"

BUILDING SKILLS

2

Build skills through:
- HSA 201 "Health Care Delivery Systems"
- Two (2) research related workshops[1]

MASTERING SKILLS

3

Master skills through:
- HSA 305 "Health Care Reimbursement Methodologies"
- HSA 400 "Financial Management in Health Care Organizations"
- HSA 403 "Leadership in Health Services Administration"

PROFESSIONAL DEVELOPMENT

4

Develop professionally through:
- HSA 410 "Strategic Management in Health Care"
- Mentored research[2]

DISSEMINATION

5

Disseminate through:
- HSA 304 "Health Sciences Research Methods"
- Presentation at a departmental, university, regional, national, or international conference
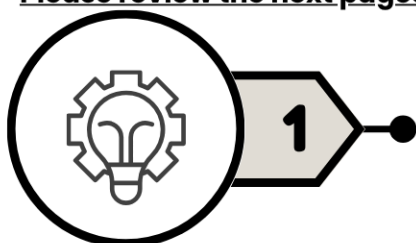

ASRE PATHWAY OF EXCELLENCE IN HEALTH SERVICES ADMINISTRATION

This is a general idea of the steps to complete an ASRE Pathway. The goal of this program is for students to begin during their freshman year and complete requirements throughout their college career. There is flexibility in the timeframe, but all requirements must be complete prior to graduation.

Please review the next pages for superscript notes with further information.
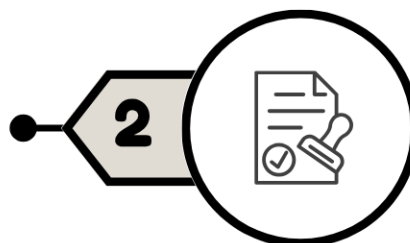

INITIATION

1

Begin by completing:
- UNIV 100 "First Year Seminar"

BUILDING SKILLS

2

Build skills through:
- HSA 201 "Health Care Delivery Systems"
- Three (3) research related workshops[1]

MASTERING SKILLS

3

Master skills through:
- HSA 306 "Trends in Health Care"
- HSA 400 "Financial Management in Health Care Organizations"
- HSA 403 "Leadership in Health Services Administration"

PROFESSIONAL DEVELOPMENT

4

Develop professionally through:
- HSA 410 "Strategic Management in Health Care"
- Leadership Experience[3]
- The professional development experience: either mentored research[2] OR complete an internship[4] OR complete a study abroad course[5]

DISSEMINATION

5
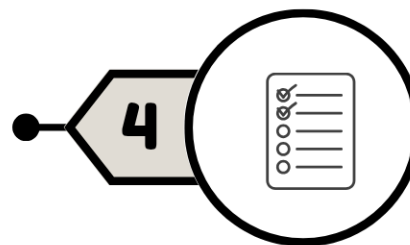

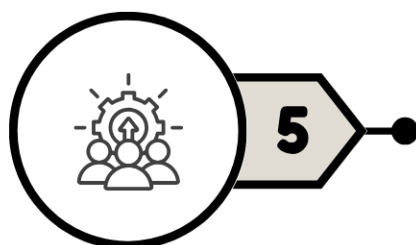

Disseminate through:
- HSA 304 "Health Sciences Research Methods"
- The dissemination experience: either a presentation at a departmental, university, regional, national, or international conference OR complete an honors thesis OR author or co-author a manuscript submission

Health Services Administration ADVANCE SRE Pathways
<u>Superscript Notes:</u>

* ASRE-approved courses only. Students who have earned credits for a course that is not ASRE approved may petition to substitute that course with a 300 or 400 level course identified as providing research skill. The SCRCS Advance office will review the petition for approval. Approved substitutions are only for the purpose of completing an Advance Pathway and are not approved as substitution for the degree.

[1]Approved workshops can include, but are not limited to SCRCS, library, or university workshops. SCRCS Advance Workshops can be found on the UL Lafayette SCRCS website. 1 in person SCRCS workshop is equivalent to 2 virtual SCRCS workshops. Other workshops focused on research skills are possible by approval from the Health Services Administration program director.

[2]Mentored research includes but is not limited to, volunteer, scholarship, paid from grants, MUREs (mentored undergraduate research experience), or SUREs (summer undergraduate research experience). Some examples could include research contract in HSA course.

[3]Leadership experience includes, but is not limited to, departmental service events, officership in departmental club, SGA officership, student tutor/mentor.

[4]Internships may be internal or external to UL Lafayette.

[5]Study abroad courses will be approved by HSA program director.
