

Pathway of Distinction

Curricular

ASRE-approved courses only. Students who have earned credits for a course that is not ASRE approved may petition to substitute that course with a 300 or 400 level course identified as providing research skill. The SCRCs Advance office will review the petition for approval. Approved substitutions are only for the purpose of completing an Advance Pathway and are not approved as substitution for the degree.

1. UNIV 100
2. MCHE 103
3. MCHE 201
4. ENGR 220
5. MCHE 357
6. MCHE 358
7. MCHE 362
8. MCHE 363
9. MCHE 365
10. MCHE 367
11. MCHE 469
12. MCHE 484

Co-curricular

13. Two (2) approved workshops

- Approved workshops can include, but are not limited to SCRCs, library, or university workshops. SCRCs Advance Workshops can be found on the UL Lafayette SCRCs website. 1 in person SCRCs workshop is equivalent to 2 virtual SCRCs workshops. Other workshops focused on research skills are possible by approval from the Mechanical Engineering department.

14. Professional Development

Leadership Experience

- Leadership experience includes, but is not limited to, departmental service events, officership in departmental club, SGA officership, student tutor/mentor. Examples of clubs include, but are not limited to, ASME, ASHRAE, BMES, NSBE, SME, SWE.

OR

REU

- REU is a 10-week research intensive experience for undergraduates sponsored by the National Science Foundation

OR

Competition

- Participation in competition is required. Departmental, university, regional, national, or international competitions will count.

15. Presentation at a departmental, university, regional, national, or international conference.
