Professional Land and Resource Management ADVANCE SRE Pathways

Superscript Notes:

* ASRE-approved courses only. Students who have earned credits for a course that is not ASRE approved may petition to substitute that course with a 300 or 400 level course identified as providing research skill. The SCRCS Advance office will review the petition for approval. Approved substitutions are only for the purpose of completing an Advance Pathway and are not approved as substitution for the degree.

¹Approved workshops can include, but are not limited to SCRCS, library, or university workshops. SCRCS Advance Workshops can be found on the UL Lafayette SCRCS website. 1 in person SCRCS workshop is equivalent to 2 virtual SCRCS workshops. Other workshops focused on research skills are possible by approval from the Management department.

²Leadership experiences include, but are not limited to, departmental service events, officership in departmental club, SGA officership, student tutor/mentorship.

³Mentored research includes, but is not limited to, volunteer, scholarship, paid from grants, SUREs (summer undergraduate research experiences), or mentored mineral rights/ownership research project.

⁴Participation is required. Competition may be departmental, university, regional, national or international.

⁵Must be different than conference presentation under Dissemination.

⁶May be author or co-author.
