Poster Presentation Guidelines

- All posters should be in landscape format. The size cannot be larger than 48 inches wide by 36 inches tall. An easel holding cardboard backing will be provided to hold each poster. Clips to hold the poster in place will be available while supplies last.

- Presenters, please be prepared for questions. The presenter or a presenter from each group must be present and able to present during the Brunch-n-Browse session Saturday morning.

How to produce a professional poster:
- Producing Professional Academic Posters: Part 1 and Part 2
- Preparing and Presenting Effective Research Posters; NCBI
- How to make an effective poster (Research) UC Davis
- UL College of Education Template (For UL Education Majors Only)
